

**ANNUAL INTERNATIONAL  
SCIENTIFIC CONFERENCE**  
**«Economic Development and  
Legacy by Simon Kuznets»**

**DATE:**  
**October 16, 2025**

**Dear colleagues,**

We are honored to invite you to participate in the **Annual International Scientific Conference «Economic Development and Legacy by Simon Kuznets»**, dedicated to this outstanding scientist, Nobel laureate in Economics in 1971.

**The Conference will be held on October 16, 2025 at Simon Kuznets Kharkiv National University of Economics in a mixed (off/online) mode.**

The conference will be held in the form of a **roundtable discussion** "Global Cooperation and Development Transformations: Challenges, Prospects, Innovations.

**The event mission** is to create a platform where economists and representatives of academic, governmental and private institutions can present their research findings, exchange ideas and share information in a collegial environment. Eminent scholars and practitioners from around the world gather to present, discuss and exchange valuable information in the fields of economics, business, education and social sciences.

**Areas of discussion:**

1. Economic Development in a Fragile World
2. Higher Education in the Context of Sustainable Development Goals: Challenges and Expectations
3. Social Economy and Priorities of Social Development
4. Academic Freedom and Inclusion in the Digital Age

**Sincerely yours, Organizing Committee**
