

# THE SOCIO-ECONOMIC DIMENSION OF ENSURING THE RIGHT TO EDUCATION IN RECONSTRUCTION PROCESSES

**KOSTYUNINA YULIA**

STUDENT OF DOCTOR OF PHILOSOPHY PROGRAM IN  
THE SPECIALTY "PUBLIC MANAGEMENT AND  
ADMINISTRATION",  
NATIONAL FORESTRY UNIVERSITY OF UKRAINE

# 1. EDUCATION AND SUSTAINABLE DEVELOPMENT

- ❖ • Education as SDG 4 (Quality Education) and its interconnection with other SDGs
  - ❖ • The role of education in shaping human capital and driving economic growth
  - ❖ • Education as a mechanism for social cohesion, inclusion, and the restoration of trust
- 

## **2. SOCIO-ECONOMIC CHALLENGES IN ENSURING THE RIGHT TO EDUCATION**

- ❖ Destruction of educational infrastructure
  - ❖ Internal and external population displacement
  - ❖ Inequality in access to education – digital divide and regional disparities
  - ❖ Financial and human-resource constraints
- 

### 3. PUBLIC GOVERNANCE MECHANISMS

- ❖ National and regional strategies for educational recovery
  - ❖ Educational subsidies, grants, and international assistance
  - ❖ Digitalization and the implementation of EdTech solutions
  - ❖ Partnerships among government, communities, business, and international organizations
- 

## 4. PROSPECTS AND INNOVATIVE PRACTICES

- ❖ European experience in rebuilding education systems after crises
  - ❖ Social innovations in education – online campuses, mobile learning centers, blended-learning models
  - ❖ Using the SDGs as a roadmap for Ukrainian education reform
  - ❖ International integration and academic mobility
-
