

Social responsibility of public administration in ensuring sustainable development

NADIYA KALASHNYK
Doctor of Science in Public
Administration, Professor
National Forestry University of
Ukraine

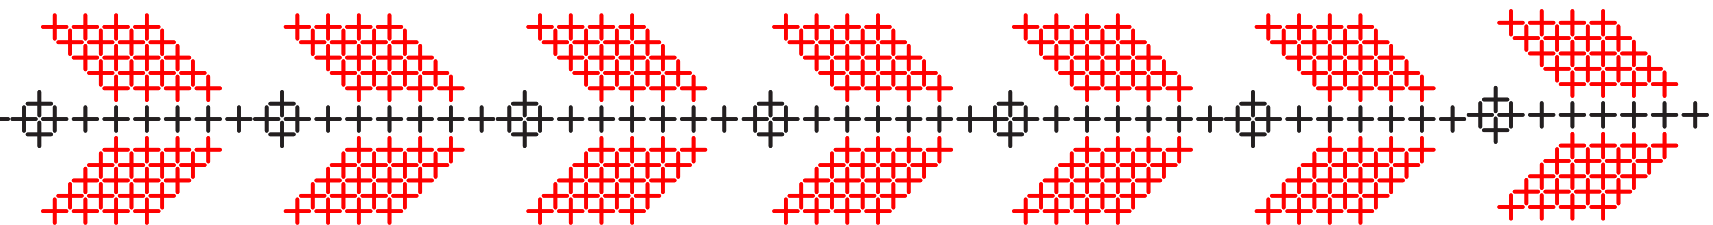

Relevance of the issue

- Social responsibility as a key tool for sustainable development
- The relationship between public administration and social economy
- Challenges of modernity (crises, war, global transformations)

The role of public administration in ensuring sustainable development

- **Strategic functions of the state and local government**
- **Social programs, policies, initiatives**
- **Partnership between the state, business and community**

Social Economy as a Platform for Responsibility

- Social Enterprises, Cooperatives, Innovative
Community Initiatives
 - Inclusivity and Citizen Participation
- Examples from International and Ukrainian
Practice

Challenges and barriers

- *Limited resources and funding*
- *Low public trust*
- *Bureaucratic obstacles*
- *Global risks (economic, environmental, demographic)*

PERSPECTIVES AND INNOVATIONS

- Digitalization and Open Data for Transparency in Governance
- Social Innovation as a Tool for Responsibility
- International Cooperation and Transnational Initiatives
